

Motorlux Announces Partnership with Edible Monterey Bay Magazine

TRAVERSE CITY, Mich., June 23, 2022 - Motorlux, the reimagined McCall's Motorworks, is excited to announce a new partnership with *Edible Monterey Bay Magazine*. Founded in 2011, Edible Monterey Bay is a values-driven media company that celebrates seasonal, local food and drink in Monterey, Santa Cruz and San Benito counties. The new partnership will help guide the elevated food and drink offerings available at the 2022 Motorlux event held at the Monterey Jet Center on August 17, 2022.

"We are delighted to partner with Hagerty on the 2022 Motorlux party and help bring in the very best chefs of the Monterey Bay area," said Deborah Luhrman, publisher of Edible Monterey Bay magazine. "Our area is one of the richest in the country for top quality ingredients and these talented culinary professionals are experts at showcasing the fresh fruits and vegetables grown locally, as well as incomparable seafood straight from the bay and exceptional grass-fed meats raised in local pastures."

Edible Monterey Bay believes in knowing where food comes from and supporting growers, ranchers, fishermen, chefs, vintners, brewers and food artisans. They tell the story of local food through a quarterly print publication as well as digital and social media channels.
